14 accessible community engagement based upon the department of health's
15 environmental health disparities map recommendations from the final
16 reports of the environmental justice task force established under
17 chapter 415, Laws of 2019;

18 (10) Give special consideration to achieving environmental
19 justice in goals and policies, avoid creating or worsening
20 environmental health disparities, and make use of the department of
21 health's environmental health disparities map to help guide
22 engagement and actions; and

23 (11) Coordinate with the department of natural resources urban
24 and community forestry program's efforts to identify areas of need
25 related to urban tree canopy and to provide technical assistance and
26 capacity building to encourage urban tree canopy"

27 On page 5, line 19, after "district" insert "where energy
28 reduction is a goal"

1 On page 5, line 28, after "air" insert "and prioritize in
2 communities with environmental health disparities"

3 On page 6, line 3, after "infrastructure;" strike "and"

4 On page 6, line 5, after "planted" insert "and equitable and
5 accessible community engagement based upon the department of health's
6 environmental health disparities map recommendations from the final
7 report of the environmental justice task force established under
8 chapter 415, Laws of 2019;

9 (10) Give special consideration to achieving environmental
10 justice in goals and policies, avoid creating or worsening
11 environmental health disparities, and make use of the department of
12 health's environmental health disparities map to help guide
13 engagement and actions; and

14 (11) Coordinate with the department of natural resources urban
15 and community forestry program's efforts to identify areas of need
16 related to urban tree canopy and to provide technical assistance and
17 capacity building to encourage urban tree canopy"

18 On page 7, line 2, after "program" insert "where energy reduction
19 is a goal"

20 On page 7, line 12, after "air" insert "and prioritize in
21 communities with environmental health disparities"

22 On page 7, line 26, after "infrastructure;" strike "and"

23 On page 7, line 28, after "planted" insert "and equitable and
24 accessible community engagement based upon the department of health's
25 environmental health disparities map recommendations from the final
26 report of the environmental justice task force established under
27 chapter 415, Laws of 2019;

28 (j) Give special consideration to achieving environmental justice
29 in goals and policies, avoid creating or worsening environmental
30 health disparities, and make use of the department of health's
31 environmental health disparities map to help guide engagement and
32 actions; and

33 (k) Coordinate with the department of natural resources urban and
34 community forestry program's efforts to identify areas of need

1 related to urban tree canopy and to provide technical assistance and
2 capacity building to encourage urban tree canopy"

3 On page 8, at the beginning of line 17, strike "(i)" and insert
4 "(k)"

EFFECT: Amends the statement of legislative intent and legislative findings. Adds additional environmental justice goals to the statewide policy for utility tree planting programs. Adds references to the department of health's environmental health disparities map, the recommendations of the 2020 environmental justice task force, and the department of natural resources urban and community forestry program.
