## <u>SB 5312</u> - H COMM AMD By Committee on Environment & Energy

- 1 Strike everything after the enacting clause and insert the 2 following:
- 3 "Sec. 1. RCW 36.70A.500 and 2012 1st sp.s. c 1 s 310 are each 4 amended to read as follows:
  - (1) The department of commerce shall provide management services for the growth management planning and environmental review fund created by RCW 36.70A.490. The department shall establish procedures for fund management. The department shall encourage participation in the grant or loan program by other public agencies. The department shall develop the grant or loan criteria, monitor the grant or loan program, and select grant or loan recipients in consultation with state agencies participating in the grant or loan program through the provision of grant or loan funds or technical assistance.
  - (2) A grant or loan may be awarded to a county or city that is required to or has chosen to plan under RCW 36.70A.040 and that is qualified pursuant to this section. The grant or loan shall be provided to assist a county or city in paying for the cost of preparing an environmental analysis under chapter 43.21C RCW, that is integrated with a comprehensive plan, subarea plan, plan element, countywide planning policy, development regulation, monitoring program, or other planning activity adopted under or implementing this chapter that:
- 23 (a) Improves the process for project permit review while 24 maintaining environmental quality; or
- 25 (b) Encourages use of plans and information developed for 26 purposes of complying with this chapter to satisfy requirements of 27 other state programs.
- 28 (3) In order to qualify for a grant or loan, a county or city 29 shall:
- 30 (a) Demonstrate that it will prepare an environmental analysis 31 pursuant to chapter 43.21C RCW and subsection (2) of this section 32 that is integrated with a comprehensive plan, subarea plan, plan

element, countywide planning policy, development regulations, monitoring program, or other planning activity adopted under or implementing this chapter;

- (b) Address environmental impacts and consequences, alternatives, and mitigation measures in sufficient detail to allow the analysis to be adopted in whole or in part by applicants for development permits within the geographic area analyzed in the plan;
- 8 (c) Demonstrate that procedures for review of development permit 9 applications will be based on the integrated plans and environmental 10 analysis;
- (d) Include mechanisms to monitor the consequences of growth as it occurs in the plan area and to use the resulting data to update the plan, policy, or implementing mechanisms and associated environmental analysis;
  - (e) Demonstrate substantial progress towards compliance with the requirements of this chapter. A county or city that is more than six months out of compliance with a requirement of this chapter is deemed not to be making substantial progress towards compliance; and
  - (f) Provide local funding, which may include financial participation by the private sector.
- 21 (4) In awarding grants or loans, the department shall give 22 preference to proposals that include one or more of the following 23 elements:
- 24 (a) Financial participation by the private sector, or a public/ 25 private partnering approach;
  - (b) Identification and monitoring of system capacities for elements of the built environment, and to the extent appropriate, of the natural environment;
- 29 (c) Coordination with state, federal, and tribal governments in 30 project review;
- 31 (d) Furtherance of important state objectives related to economic 32 development, protection of areas of statewide significance, and 33 siting of essential public facilities;
  - (e) Programs to improve the efficiency and effectiveness of the permitting process by greater reliance on integrated plans and prospective environmental analysis;
- 37 (f) Programs for effective citizen and neighborhood involvement 38 that contribute to greater likelihood that planning decisions can be 39 implemented with community support;

1 (g) Programs to identify environmental impacts and establish 2 mitigation measures that provide effective means to satisfy 3 concurrency requirements and establish project consistency with the 4 plans; or

- (h) Environmental review that addresses the impacts of increased density or intensity of comprehensive plans, subarea plans, or receiving areas designated by a city or town under the regional transfer of development rights program in chapter 43.362 RCW.
- (5) If the local funding includes funding provided by other state functional planning programs, including open space planning and watershed or basin planning, the functional plan shall be integrated into and be consistent with the comprehensive plan.
- (6) State agencies shall work with grant or loan recipients to facilitate state and local project review processes that will implement the projects receiving grants or loans under this section.
- (7) (a) Appropriations to the growth management planning and environmental review fund established in RCW 36.70A.490 for the purpose of grants to cities to facilitate transit-oriented development may be used to pay for the costs associated with the preparation of state environmental policy act environmental impact statements, planned action ordinances, subarea plans, costs associated with the utilization of other tools under the state environmental policy act, and the costs of local code adoption and implementation of such efforts.
- (b) Grant awards may only fund efforts that address environmental impacts and consequences, alternatives, and mitigation measures in sufficient detail to allow the analysis to be adopted in whole or in part by applicants for development permits within the geographic area analyzed in the plan.
- (8) The department shall prioritize applications for grants to facilitate transit-oriented development that maximize the following policy objectives in the area covered by a proposal:
- (a) The total number of housing units authorized for new development;
  - (b) The proximity and quality of transit access in the area;
  - (c) Plans that authorize up to six stories of building height;
- 37 (d) Plans that authorize ground floor retail with housing above;
- (e) Plans in areas that minimize or eliminate on-site parking requirements;

- (f) Existence or establishment of incentive zoning, mandatory
  affordability, or other tools to promote low-income housing in the
  area;
  - (g) Plans that include dedicated policies to support public or nonprofit funded low-income or workforce housing; and
- 6 (h) Plans designed to maximize and increase the variety of allowable housing types and expected sale or rental rates.
- 8 <u>(9) For purposes of this section, "transit access" includes</u>
  9 <u>walkable access to:</u>
  - (a) Light rail and other fixed quideway rail systems;
- 11 (b) Bus rapid transit;

- 14 **Sec. 2.** RCW 36.70A.600 and 2020 c 173 s 1 are each amended to 15 read as follows:
- 16 (1) A city planning pursuant to RCW 36.70A.040 is encouraged to 17 take the following actions in order to increase its residential 18 building capacity:
  - (a) Authorize development in one or more areas of not fewer than five hundred acres that include at least one train station served by commuter rail or light rail with an average of at least fifty residential units per acre that require no more than an average of one on-site parking space per two bedrooms in the portions of multifamily zones that are located within the areas;
  - (b) Authorize development in one or more areas of not fewer than two hundred acres in cities with a population greater than forty thousand or not fewer than one hundred acres in cities with a population less than forty thousand that include at least one bus stop served by scheduled bus service of at least four times per hour for twelve or more hours per day with an average of at least twenty-five residential units per acre that require no more than an average of one on-site parking space per two bedrooms in portions of the multifamily zones that are located within the areas;
- 34 (c) Authorize at least one duplex, triplex, quadplex, sixplex, 35 stacked flat, townhouse, or courtyard apartment on each parcel in one 36 or more zoning districts that permit single-family residences unless 37 a city documents a specific infrastructure of physical constraint 38 that would make this requirement unfeasible for a particular parcel;

- 1 (d) Authorize a duplex, triplex, quadplex, sixplex, stacked flat, 2 townhouse, or courtyard apartment on one or more parcels for which 3 they are not currently authorized;
  - (e) Authorize cluster zoning or lot size averaging in all zoning districts that permit single-family residences;
    - (f) Adopt a subarea plan pursuant to RCW 43.21C.420;

- 7 (g) Adopt a planned action pursuant to RCW 43.21C.440(1)(b)(ii), 8 except that an environmental impact statement pursuant to RCW 9 43.21C.030 is not required for such an action;
- 10 (h) Adopt increases in categorical exemptions pursuant to RCW 11 43.21C.229 for residential or mixed-use development;
  - (i) Adopt a form-based code in one or more zoning districts that permit residential uses. "Form-based code" means a land development regulation that uses physical form, rather than separation of use, as the organizing principle for the code;
- 16 (j) Authorize a duplex on each corner lot within all zoning 17 districts that permit single-family residences;
  - (k) Allow for the division or redivision of land into the maximum number of lots through the short subdivision process provided in chapter 58.17 RCW;
  - (1) Authorize a minimum net density of six dwelling units per acre in all residential zones, where the residential development capacity will increase within the city. For purposes of this subsection, the calculation of net density does not include the square footage of areas that are otherwise prohibited from development, such as critical areas, the area of buffers around critical areas, and the area of roads and similar features;
  - (m) Create one or more zoning districts of medium density in which individual lots may be no larger than three thousand five hundred square feet and single-family residences may be no larger than one thousand two hundred square feet;
  - (n) Authorize accessory dwelling units in one or more zoning districts in which they are currently prohibited;
  - (o) Remove minimum residential parking requirements related to accessory dwelling units;
- 36 (p) Remove owner occupancy requirements related to accessory 37 dwelling units;
- 38 (q) Adopt new square footage requirements related to accessory 39 dwelling units that are less restrictive than existing square footage 40 requirements related to accessory dwelling units;

- 1 (r) Adopt maximum allowable exemption levels in WAC 197-11-800(1) 2 as it existed on June 11, 2020, or such subsequent date as may be 3 provided by the department of ecology by rule, consistent with the 4 purposes of this section;
  - (s) Adopt standards for administrative approval of final plats pursuant to RCW 58.17.100;
  - (t) Adopt ordinances authorizing administrative review of preliminary plats pursuant to RCW 58.17.095;
  - (u) Adopt other permit process improvements where it is demonstrated that the code, development regulation, or ordinance changes will result in a more efficient permit process for customers;
  - (v) Update use matrices and allowable use tables that eliminate conditional use permits and administrative conditional use permits for all housing types, including single-family homes, townhomes, multifamily housing, low-income housing, and senior housing, but excluding essential public facilities;
  - (w) Allow off-street parking to compensate for lack of on-street parking when private roads are utilized or a parking demand study shows that less parking is required for the project;
  - (x) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to build accessory dwelling units. A city may condition this program on a requirement to provide the unit for affordable home ownership or rent the accessory dwelling unit for a defined period of time to either tenants in a housing subsidy program as defined in RCW 43.31.605(14) or to tenants whose income is less than eighty percent of the city or county median family income. If the city includes an affordability requirement under the program, it must provide additional incentives, such as:
    - (i) Density bonuses;

- (ii) Height and bulk bonuses;
- 32 (iii) Fee waivers or exemptions;
  - (iv) Parking reductions; or
  - (v) Expedited permitting; and
- 35 (y) Develop a local program that offers homeowners a combination of financing, design, permitting, or construction support to convert a single-family home into a duplex, triplex, or quadplex where those housing types are authorized. A local government may condition this program on a requirement to provide a certain number of units for affordable home ownership or to rent a certain number of the newly Code Rev/RB:lel 6 H-1327.1/21

- housing subsidy program as defined in RCW 43.31.605(14) or to tenants 2
- whose income is less than eighty percent of the city or county median 3
- family income. If the city includes an affordability requirement, it 4
- must provide additional incentives, such as: 5
- 6 (i) Density bonuses;

- (iv) Parking reductions; or 9
- (v) Expedited permitting. 10
- (2) A city planning pursuant to RCW 36.70A.040 may adopt a 12 housing action plan as described in this subsection. The goal of any such housing plan must be to encourage construction of additional 13 affordable and market rate housing in a greater variety of housing 14 types and at prices that are accessible to a greater variety of 15 16 incomes, including strategies aimed at the for-profit single-family 17 home market. A housing action plan may utilize data compiled pursuant to RCW 36.70A.610. The housing action plan should: 18
  - (a) Quantify existing and projected housing needs for all income levels, including extremely low-income households, with documentation housing and household characteristics, and cost-burdened households;
- 23 (b) Develop strategies to increase the supply of housing, and variety of housing types, needed to serve the housing needs 24 25 identified in (a) of this subsection;
  - (c) Analyze population and employment trends, with documentation of projections;
  - (d) Consider strategies to minimize displacement of low-income residents resulting from redevelopment;
  - (e) Review and evaluate the current housing element adopted pursuant to RCW 36.70A.070, including an evaluation of success in attaining planned housing types and units, achievement of goals and policies, and implementation of the schedule of programs and actions;
  - (f) Provide for participation and input from community members, community groups, local builders, local realtors, nonprofit housing advocates, and local religious groups; and
- (g) Include a schedule of programs and actions to implement the 37 38 recommendations of the housing action plan.
- 39 (3) If adopted by April 1, 2023, ordinances, amendments to 40 development regulations, and other nonproject actions taken by a city Code Rev/RB:lel 7 H-1327.1/21

to implement the actions specified in subsection (1) of this section, with the exception of the action specified in subsection (1)(f) of this section, are not subject to administrative or judicial appeal under chapter 43.21C RCW.

- (4) Any action taken by a city prior to April 1, 2023, to amend their comprehensive plan, or adopt or amend ordinances or development regulations, solely to enact provisions under subsection (1) of this section is not subject to legal challenge under this chapter.
- (5) In taking action under subsection (1) of this section, cities are encouraged to utilize strategies that increase residential building capacity in areas with frequent transit service and with the transportation and utility infrastructure that supports the additional residential building capacity.
- (6) A city that is planning to take at least two actions under subsection (1) of this section, and that action will occur between July 28, 2019, and April 1, ((2021)) 2025, is eligible to apply to the department for planning grant assistance of up to one hundred thousand dollars, subject to the availability of funds appropriated for that purpose. The department shall develop grant criteria to ensure that grant funds awarded are proportionate to the level of effort proposed by a city, and the potential increase in housing supply or regulatory streamlining that could be achieved. Funding may be provided in advance of, and to support, adoption of policies or ordinances consistent with this section. A city can request, and the department may award, more than one hundred thousand dollars for applications that demonstrate extraordinary potential to increase housing supply or regulatory streamlining.
- (7) A city seeking to develop a housing action plan under subsection (2) of this section is eligible to apply to the department for up to one hundred thousand dollars.
- (8) The department shall establish grant award amounts under subsections (6) and (7) of this section based on the expected number of cities that will seek grant assistance, to ensure that all cities can receive some level of grant support. If funding capacity allows, the department may consider accepting and funding applications from cities with a population of less than twenty thousand if the actions proposed in the application will create a significant amount of housing capacity or regulatory streamlining and are consistent with the actions in this section.

- (9) In implementing chapter 348, Laws of 2019, cities are encouraged to prioritize the creation of affordable, inclusive neighborhoods and to consider the risk of residential displacement, particularly in neighborhoods with communities at high risk of 4 displacement."

- EFFECT: (1) Authorizes the use of appropriations to the Growth Management Planning and Environmental Review Fund to fund grants to cities to pay for certain planning-related costs related to transitoriented development, including subarea plans and environmental impact statements.
- (2) Requires the Department of Commerce to prioritize applications for grants to facilitate transit-oriented development to maximize certain specified objectives in the area covered by the grant proposal.
- (3) Changes the date, from April 1, 2021, to April 1, 2025, by which cities must take certain actions related to increasing housing supply in order to be eligible to apply to the Department of Commerce for planning grants from the Growth Management Planning and Environmental Review Fund.
